

Orb suspended

Material	Aluminum/glass
lightsource	2x COB LED
Led type	Bridgelux Vesta of Bridgelux V SERIES
Color temperature	Dim to Warm, 2700K,3000K,4000K
CRI	>90
placement	Ceiling diameter ceiling mount Ø126mm
Standard suspension cable length	2mtr (longer cables on request available)
Light direction	Up / down
Optics	2x lens
Indoor/outdoor	Indoor
Beam angle	measured: 60° (up and down)
Adjustability	360 graden
Driver	Integrated in mount, phase cut dimmable 500mA (other driver types have to be installed externally)
voltage	230V
Power consumed	21W
Colors	Black, Brass, Gold
Dimensions	Ø122 x 182mm
IP class	IP20
Beam	Soft beam through diffusers, taking out the diffusers will give a sharp beam.

Orb suspended

Values below are for each Led

2700K Ra 90

Driver output (mA)	250
Forward voltage	30,4
Lumen output Led	1008
Efficiency lm/W	147
Watt (led)	7,6

3000K Ra 90

Driver output (mA)	250
Forward voltage	30,4
Lumen output Led	1058
Efficiency lm/W	154
Watt (led)	7,6

4000K Ra 90

Driver output (mA)	250
Forward voltage	30,4
Lumen output Led	1069
Efficiency lm/W	150
Watt (led)	7,6

Dim to warm

Driver output (mA)	250
Forward voltage	31,7
Lumen output Led	900
Efficiency lm/W	113
Watt (led)	8,3
